Sponsorship Request from Penn Wrestling Club

Dear Community Member:

My name is Coach Harper and I am with the Penn Wrestling Club, a non-profit organization striving to build successful student athletes who achieve results through hard work, discipline, respect, and character on and off the wrestling mat. We have members from all over the Michiana community and are specifically located in Mishawaka, Indiana. We specifically coach wrestling to athletes of all ages and levels in a structured atmosphere in a positive and motivational way.

The club has been running for over three years now and in that time we have had over 1,000 different young people go through our program, experience our two-week fun elementary season, participate in special clinics and camps, wrestle competitively under the PWC name, and even become exclusive members of Penn Wrestling Club.

We are very proud of our achievements and the hard work of people connected to the club have brought. It has led us to success on and off the mat. Our club has reached some of the highest honors in Indiana. In 2008, we were named the BEST club in Indiana and in 2009 and 2010 were named the largest club in the State of Indiana.

There are however many expenses connected with running the club and we rely for funding solely on our own fundraising events/efforts and the support of local businesses.

I understand that one of our parents or wrestlers may have already been in contact with you about a potential sponsorship. We are always searching for sponsors to contribute to the general fund. In addition, specific wrestlers may also be seeking support for tournament entry fees, team travel, and more. We would welcome the opportunity to speak to you about sponsorship opportunities further. We enjoy partnering with different community members to provide additional opportunities for our young members. In the upcoming season, we hope to send wrestlers to different national tournaments, upgrade the wrestling facilities, and focus our efforts on giving back to the community.

In return for your sponsorship we would of course be willing to include your business name and link directly to your business website from our community web page. In addition, we feature our sponsors in our annual media guide. These are available at all home matches which are attended by local parents and an increasing number of spectators from the local community each year.

Thank you for giving this your consideration.

Best Regards

Penn Wrestling Club
